Apostolic VICTORY REPORT

Volume 9 Issue 2

February, 2018

The year of 2017 was declared as the Year of Bible Studies by Pastor White. However, unbeknownst to me, God began orchestrating my Bible study in 2016. In 2016, one of my co-workers, Crystal, began to express interest in both me and the Bible. As our talks about the Bible became more and more frequent, Crystal asked me about getting a Bible study. Per Crystal, her interest in the Bible and fascination with the Bible studies we began to have during our lunch breaks, peaked her interest in coming to church. Her first church service was on Friday night of Levantando Banderas. She loved it so much she asked her husband, Sean, to join her at a service. Their first service together was on December 31st, 2017. Since then, they have been faithfully coming to services and continuing our Bible study. This time in my life has filled me with such joy and has immensely strengthened my faith in God. His plans are far greater than what I could ever imagine. For all three of us, the beginning of Jeremiah 29:11 comes to mind, "For I know the plans I have for you..." It fills me with great joy to see the spiritual growth of both Crystal and Sean, and I cannot wait to see what God has in store for them.

THE SHEPHERD'S VOICE

Those who study human behavior, have proven that focusing our love on someone else, is a sure path to happiness. Our evangelism focus "**Your Own Spiritual Baby**", beautifully combines our greatest spiritual needs of both the giving and the receiving of love.

We will be posting on our evangelism display board, the happy smiles of some proud spiritual parents. Please prepare a room in you spiritual home, for a new arrival. There is nothing that can compare to the bundle of joy that you can call you very own.

Take Valentine's Day to a new level!
