To the Church Family of Victory Tabernacle:

Greetings in the Precious name of Jesus!

Our great God has protected most of us and brought healing to many of us during the long months of the current pandemic. We give him glory for his great grace towards all of us!

With the launch of our parking lot services (Victory without borders), there comes an additional need for being extra careful in following the protocols of social distancing with immediate family and the ministry of laying on of hands, being the only exceptions. We must maintain six feet of distance before, during, and after each church service. Many churches that I know of, have had major outbreaks of the virus, when the distancing requirements were not enforced. Your careful attention to this matter will display our commitment to loving our neighbor as ourselves. So, speak loud enough to be heard at a distance, because we really do need the fellowship with one another.

Let's help make it work for everyone!
